DAM FORRESTER FLY FOOTBALL STRIKE INDICATORS

These bright coloured, eye-catching "footballs" are little but highly visible bite indicators. They work like a normal float. Slide one on your fly line, cast and let the nymph or wet fly go with the flow. As soon as the indicator goes under it's time to set the hook!

Icon	Barcode	Product Name	Quantity	Size
		FORRESTER FLY FOOTBALL STRIKE INDICATOR - S	6 / 10 / 250	S
		FORRESTER FLY FOOTBALL STRIKE INDICATOR - M	6 / 10 / 250	M
		FORRESTER FLY FOOTBALL STRIKE INDICATOR - L	6 / 10 / 250	L
