

**MADCAT®  
TRANSPORTALL**

Real big and heavy duty bag with two pockets (one on each side). For the catfish angler who only wants the best. The bottom part is waterproof. Dimensions: 80 x 40 x 40 cm. Made of 1200 and 600D polyester (100%).

**MADCAT®  
MONSTER BAG**

Bag specifically designed for catfish anglers. Features an internal compartment with three plastic tubes to store catfish floats safely. There is also an integrated rig board with pins, to pin your rigs down. Has a hard case bottom and reinforced walls. This is a real high quality bag. Dimensions: 50 x 48 x 29 cm. Made of 600D, 100% nylon.

**MADCAT®  
BAITCOOLER**

Compact bag (28 x 20 x 20 cm) for keeping your bait, like worms or squid, fresh. But, of course, also perfect for keeping your soft drinks cool. The 8mm thick foam padded walls keep the cold in and the heat out. Waterproof. Made of 600D polyester (100%).

**MADCAT®  
TUBE CARYALL**

Simple handy bag with carry handles, shoulder strap and a zipper. Catfish anglers, especially the ones who bivvy up on a river bank, tend to bring a lot of stuff with them. This bag will help to keep that stuff organized and clean. 65cm long. The diameter: 30cm. Made of 600D, 100% nylon.

**MADCAT® RIG WALLET**

MC BAG

Big rig wallets for catfish rigs (40 x 25 x 8 cm). The rig board has foam on both sides, thick enough to push your hooks or trebles in deep enough to properly hold. The wallet is made of 600D

nylon (100%) and leaves a lot of room for rigs with king sized trebles and big subfloats. Supplied with plenty of pins to pin your rigs down properly. A must have for any catfish angler.

**MADCAT® LEAD BAG**

MC BAG

Simple but handy bag to keep your heavy catfish leads in. Since catfish anglers tend to carry a lot of heavy and different sized catfish leads with them, we included reinforced walls and

four different compartments. Made of 600D nylon. Dimensions: 26 x 16 x 11 cm.
